Important Points:-

1. Select Implement Name from “Name of Implement” selection option.
2. Select Make of Implement from “Make of the Implement” option.
3. Give number of implement machine in stock as on date.
4. Upload Manufacturer certificate in .pdf format of maximum 100kb size.
5. Click on “save implement details” to save the implement details.
6. After that select operative area from “Operative Area” Selection option. More than one district can be select for operative area (if required).
7. Repeat 1 to 6 to add another implement.

नोट :- डीलर के एक **Email-id** पर किसी भी इम्प्लीमेंट के एक ही मेक/मैन्युफैक्चरर का रजिस्ट्रेशन हो सकता है ।

यदि डीलर के पास एक से अधिक मेक/मैन्युफैक्चरर का एक इम्प्लीमेंट है तो दूसरे मेक/मैन्युफैक्चरर के लिए एक भिन्न **Email-id** पर फिर से डीलर रजिस्ट्रेशन करना होगा ।

Note: - In one dealer registration only one make/manufacturer of an implement can be select.

For another make/manufacturer of the same implement dealer has to make another dealer registration using different email-id.

8. After entry of implement details and operative area. Upload VAT certificate in .pdf format of maximum 100kb size.
9. Enter password in Password text box. Dealer must remember the password. Email-id and password will be used to access the software.
10. After clicking “submit” button an Acknowledgement having Reference No. will generate. Dealer must take the print of acknowledgement.
11. Dealer has to submit following documents with printed acknowledgement to JDA Engineering Office, Agriculture Department, Patna.
 - a. VAT Clearance Certificate
 - b. Distributor Certificate
 - c. Test Report Information
12. Dealer registration will be accepted or rejected after verification by JDA engineering office.
13. After confirmation by Agriculture Department, Dealer can access the software by using his/her registered email id and password.
14. Dealer must remember the email-id and password which was given in the registration form by dealer.

Note:-Dealer can update the registration detail before verification by Agriculture department using his/her registered email id and password.

B. Updation of Dealer Registration :--

1. Dealer Registration Update Link

The screenshot displays the OFMAS website interface. At the top, the header includes the Department of Agriculture, Govt. of Bihar logo and the text "OFMAS - Online Farm Mechanization Software, Solution for Disbursement of Input Subsidy on Farm Machinery". The navigation menu contains links for Home, Dealer Details, Citizen Corner, Farmer Application, Important Dates, Download, Contact Us, and Login. The "Dealer Details" dropdown menu is open, with "Update Dealer Registration" highlighted. A red arrow points from the section header to this menu item. Below the navigation, there is a "Vendor Login" section with input fields for Email ID, Password, and EnterText (containing "A158"), and a "LogIn" button. A "New Registration" link is also present. A "Gallery" section shows images of various farm machinery. The footer contains the text "Website Design & Developed by NIC, Bihar State Unit, Patna @2013 Disclaimer" and the URL "http://localhost:1703/Agrisnet/FMNEW/UpdDealerPage.aspx".

2. Updation Page

The screenshot displays the OFMAS (Online Farm Mechanization Software) interface. At the top, the header includes the Department of Agriculture, Govt. of Bihar logo and the text "कृषि विभाग, विहार सरकार". Below the header is a navigation menu with items: Home, Dealer Details, Citizen Corner, Farmer Application, Important Dates, Download, Contact Us, and Login. The main content area is titled "FARM MECHANISATION" and "Update Dealer Information". It features a login form with fields for E-mail Id (ddd@gmail.com), Password, and Verification (O888). A CAPTCHA image shows "U6yB" with the instruction "(click image for new code)". There are "Submit" and "RESET" buttons. Below the form is a horizontal menu with five options: Update Profile, Add/Remove Implement, Update Implement Detail, Update Vat Certificates, and Add Area. Red arrows point from these menu items to five callout boxes at the bottom. The browser status bar at the bottom shows "Done" and "Internet" with a 100% zoom level.
